The best massages to treat your tired body

Because every girl needs to be pampered every once in a while, we've scouted around for the best massages in town. By Denise Li

The Aspara

Besides the lush garden views, you'll also love the spacious rooms and minimalist interior.

Go for: Aroma Median Massage.

Combining aromatherapy with the Chinese belief of Yin and Yang, a warm compress of flowers and herbal extracts is also used to heat up the body's meridian pathways to stimulate acupuncture points.
