

### **THE ASPARA**

The Aspara in Orchard is an exquisite sanctuary with a unique blend of exotic sensuality coupled with exquisite pampering. Some of its gorgeous suites have scenic views overlooking the lovely, picturesque garden that nests the spa. Others overlook lush greenery. The beautiful tropical garden setting eases guests into the organic beauty and calmness of nature. Primal senses are awakened, further enhancing the sensory Aspara experience. With only the guests' comfort in mind, no expense has been spared in creating the ultimate spa experience. A beautiful water landscape greets you at the entrance.

#### THE ASIAN SPA

A perfect union of splendid city views and luxurious spa treatments, The Asian Spa appeals to the astute cosmopolitan traveler. Spanning an area of over 20, 000 square feet, facilities include a gymnasium, saunas, steam rooms and a beautiful roof top swimming pool overlooking the panoramic view of the Singapore River. The posh interiors spell luxury – refined and elegant with exquisite treatment rooms and private couple suites. Discover an extensive range of signature treatments, blending both Asian and Western spa philosophies and

experience a deeply soothing massage using the Hot Stones therapy, or unwind taut muscles with a traditional Thai massage. Bring back youthful radiance through the Collagen or Vitamin Honey Facials, or rejuvenate the skin with Dead Sea Minerals treatments. More so, the Aroma Meridian Massage is a unique must-try massage which blends the Chinese belief of Yin & Yang and the practice of acupressure point massage, combined with aromatherapy.
